Potential Life Decisions

The Hostage Situation Edition!

Welcome to Jamie and Han's wedding! This booklet features guests who didn't bring a plus one, but are ready to mingle! Whether you're looking for a new friend, a dance partner, or perhaps something more... We hope this booklet helps serve as a conversation starter for this evening.

Please do not feel pressured to mingle although you are featured in this booklet. We are thrilled that you chose to celebrate Jamie and Han's special day, and if eating and drinking is as far as you want to take it tonight, that's absolutely fine!

Be respectful, have fun, and enjoy the celebration!

How This Works

All guests listed in this booklet gave their explicit permission to be featured in this booklet! Some may even have been strong-armed by Jamie and Han into participating! Here is an example of one of our most esteemed guests, please go and say hi! Men beware, he will cry. Girls, you're free to do as you please.
